November 2002

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Killed	Persons Injured	Estimated Damage Property Crops	Character of Storm
<u>INDIANA, Southeast</u>								
Franklin County								
Countywide	10	1640EST 1655EST			0	0	5K	Thunderstorm Wind (E50)
Trees were downed across the county.								
Wayne County								
Countywide	10	1640EST 1655EST			0	0	5K	Thunderstorm Wind (E50)
Several trees were downed across the county.								
Fayette County								
Countywide	10	1656EST 1710EST			0	0	5K	Thunderstorm Wind (E50)
Numerous trees were knocked down.								
INZ050-058-066-074>075-080	Wayne - Fayette - Franklin - Dearborn - Ohio - Switzerland							
	10	1730EST 2025EST			0	0		Flood
An intense squall line with thunderstorms producing heavy rain tracked across southeast Indiana and the Whitewater Valley during the evening. Although the squall line was moving relatively quickly, thunderstorms produced two to locally four inches across the region. High water forced brief road closures and flooding of low-lying areas across the region								
Dearborn County								
Lawrenceburg	10	1815EST 1819EST			0	0	2K	Thunderstorm Wind (E50)
Several large limbs were blown down								
Ripley County								
Milan	10	1815EST 1819EST			0	0		Hail(0.75)
Switzerland County								
Vevay	10	1819EST 1823EST			0	0	2K	Thunderstorm Wind (E50)
Trees were downed throughout town.								
<u>KENTUCKY, Northern</u>								
Carroll County								
Prestonville	10	1830EST 1833EST			0	0	2K	Thunderstorm Wind (E50)
Several trees were downed and a church steeple was blown over.								
Owen County								
New Liberty	10	1833EST 1836EST			0	0		Hail(0.75)
Gallatin County								
5 SW Warsaw	10	1850EST 1855EST			0	10	375K	Thunderstorm Wind (E65)
Several mobile homes were demolished along State Route 184 between Interstate 71 and the Ohio River. Damage was caused by a microburst.								
Grant County								
Crittenden	10	1852EST 1855EST			0	0		Hail(0.75)
Boone County								
Verona	10	1900EST 1908EST			0	0	3K	Thunderstorm Wind (E50)
Numerous trees were blown down across the southern part of the county.
